3	**Program CLM Assembly 2024**
	
	Reported by H. H. Hagemann
		● Discuss and decide on overall schedule
		● WG EVAL meeting is not on the agenda (no reply from E. Russo to Christian's email on the on-site WG meeting at the Assembly). Leave the agenda as it is now and can adjust later if necessary
		● CO Meeting in Person on Friday?
		   ○ yes, 90 min directly afterwards without lunch break
		   ○ inform CO members about lunch
		● Decide on format for WG meetings
		● Assign talks to sessions: Talks on plenary sessions: 23 talks → reduce ~50% from the submission.
		● Session chairs?
		   ○ WG leader if they have no talk in the session, otherwise deputy or another person
		● Any other topics related to CLMA 2024?
			09:30 – 10:30	C. Steger, M. Mertens, all

		BREAK	10:30 – 10:50	
4	**Naming convention CORDEX simulations**	● Document: https://docs.google.com/document/d/166087s5Z8pCiji_RU50I7P4ehcoVoTlVYyNo7qSXXuU/edit?usp=sharing ● Any comments, suggestions etc.?	10:50 – 11:20	C. Steger / all

	Reported by M. Raffa	● Christian is in charge of preparing the document on CORDEX naming convention for the CLM-Community. ● For ICON, the source ID parameter should include "ICON-CLM-yearmonth" and the subversion of the code "-1-1". An alternative option can be to include the subversion of the code in the metadata. Check what is needed for naming convention in CORDEX.		
5	**EVA Suite** *postponed*	● Follow up discussion from last meetings ● postponed	-	-

6	**Any other business / buffer**
	
	Reported by C. Steger
		● Venue CLM Assembly 2025
		  ○ very likely in Graz; to be confirmed
		● Next ICON Open Source release
		  ○ Andreas will contact Günther and Daniel Reinert to clarify if a change can be made before the next open source release
			11:20 – 11:30	all
